

Announcing the 3rd Annual Beit Haverim Social Club Luncheon.

Please join us for lunch and planning next year's activities.

**Meet at Congregation Beit Haverim on Sunday, October 14,
12:00 noon.**

Some tentative events include a visit to the Spertus Museum, which reopens on November 30th with a new Kosher Café managed by Wolfgang Puck. And yes, who would not love another Game Night. We are also hoping to find a neighborhood play for another activity.

We will be serving a deli lunch, drinks and a dessert for only \$5.00 a person. Due to the purpose of this luncheon this is for adults only, not intended for children.

Please send this portion with your check made out to Beit Haverim Social Club to:
